ABOUT US

Bitcloud Edge is a global systematic investment manager. Our centralized research focuses on the development of advanced quantitative techniques for uncovering market opportunities and employs them within a disciplined framework that results in efficient exposures.

With a robust infrastructure and talented investment professionals, Bitcloud Edge offers clients the scale of a large asset management firm, with the benefits of a versatile investment platform – flexibility and customization. Our firm is able to offer institutional and retail investors the essential building blocks for today's changing investment landscape.

OUR VISION

We believe in putting our customers and clients first. Our cultural attributes bring out the very best of our people, skills and strong reputation that we have built with our stakeholders over many years. A combination of expertise, service and relationships with teamwork, integrity and prudence underpins our approach and gives us the tools to thrive over the long term.

And we recognise that to help the people and businesses of Britain thrive, we also have a responsibility to help address the social, economic and environmental challenges facing our business, employees and clients, now and into the future.

As a catalyst for shared prosperity and a better future, we strive to lead the alternative investment industry, both in terms of generating returns and make a lasting positive impact. Our growth in becoming one of the largest alternative investment managers is aligned with this vision and is a testament to our shared values, experienced management team, and focus on performance and high-quality investor base, which includes large asset management , trading , Infrastructures, sovereign wealth funds and financial planning.

WHY CHOOSE US

Bitcloud Edge, wants everyone to have the opportunity to succeed based on merit, regardless of race, color, religion, creed, ancestry, national origin, sex, age, disability, marital status, citizenship status, sexual orientation, gender identity expression, military or veteran status, or any other criterion. Why is this so important? To us, diverse and inclusive teams enriched with people of distinctive backgrounds make us better. They help us generate better ideas, reach more balanced decisions, engage our communities and help our clients achieve better outcomes.

Our advisors connect your finances to what you want out of life and create a plan designed to make it happen, revealing possibilities while protecting you from the unexpected—today and every day after.

Adequate operational experience of Bitcloud Edge makes these investments safe, high-yielding and affordable - it distinguishes the company among others in the trust management market. OUR SERVICES

OUR PURPOSE

This means supporting our colleagues, customers and clients, and the communities and environment in which they operate, for the benefit of all our stakeholders. It means helping people and businesses unlock their potential and plan for the future with confidence, building relationships that stand the test of time. And it means that we continue to be there for the long-term, whatever the climate, making decisions that are right for today and for generations to come.

To achieve this, our long-term strategic approach place exceptional service at the heart of everything we do. Each of our diverse, specialist businesses have a deep industry knowledge, so they can understand the challenges and opportunities that our customers and clients face. We support the unique needs of our customers and clients to ensure that they thrive, rather than simply survive, whatever the market conditions.

We believe in putting our customers and clients first. Our cultural attributes bring out the very best of our people, skills and strong reputation that we have built with our stakeholders over many years. A combination of expertise, service and relationships with teamwork, integrity and prudence underpins our approach and gives us the tools to thrive over the long term.

And we recognise that to help the people and businesses of Britain thrive, we also have a responsibility to help address the social, economic and environmental challenges facing our business, employees and clients, now and into the future.

OUR VALUE

HIGHLY AMBITIOUS

We strive to build world-class businesses to generate superior returns for our partners.

WINNING

We are here to win. We are constantly improving, and are committed to out-thinking and out-executing our competitors. We take on what others dismiss as impossible, and solve the hard problems that others walk away from. This is why we hire the best.

INTEGRITY

We do things the right way, without compromise, the first time - every time. We are direct, decisive and, above all, accountable. We practice sound judgment and common sense in our actions that conforms to the letter and spirit of the law at all times. We win on the merits, with integrity.

LEARNING

We are driven by a thirst for knowledge. We are constantly learning - from each other and from inspired thinkers around the world. We passionately pursue new ideas, new innovations and new strategies that will strengthen our competitive advantage.
